Your help is needed!
Make a difference while learning and volunteering

Learn valuable skills, then share those skills with your community while volunteering a few hours a week to help prepare tax returns.

The Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs are looking for volunteers who are interested in sharing their skills, talent and knowledge to give back to their communities while volunteering to prepare tax returns.

As a volunteer, you will interact with people who need help preparing their tax returns at no cost to them. We need volunteers to serve as Tax Preparers. If preparing taxes is not your ideal volunteer assignment we also need volunteer Greeters, Screeners, and Interpreters.

Our schedule is flexible so you can volunteer on a weeknight or Saturday. We will provide all of the training and resources!

You tell us:

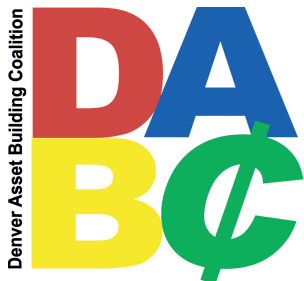

- How much time you can give
- Your current computer skills
- Your current tax law knowledge
- Your desired volunteer position

We will provide:

- Free tax law training
- Tax Software training
- Administrative support
- A great volunteer experience

The Denver Asset Building Coalition prepares over 4,000 tax returns every year for low-income Denver families. One hour of volunteering with DABC brings \$1,000 in the hands of hard-working individuals by delivering to them the refunds they deserve and helping them avoid predatory lending practices.
