If you are missing a Form W-2 or 1099

Your employer or the issuing financial institution should be able to provide you with a copy of your missing W-2 or 1099.

If you cannot get a copy from your employer or financial institution, please **contact the IRS** for assistance. Go to <https://www.irs.gov/individuals/get-transcript>. IRS transcripts do not show state withholding, so contact the Colorado Department of Revenue at (303) 238-7378 to request state W-2s so that we can also file your state taxes.

Get a faster refund with direct deposit

If electronically filing, direct deposit refunds take 10-14 business days, versus 45 days for a paper check. Some DABC Sites can **open a bank account for free** if you do not already have one. There may be a small fee for initial check order.
